

Come join us for a poker tournament to benefit the TechGyrls Program at the YWCA Pasadena Foothill Valley Chapter.

TechGyrls is a part of our Girls Empowerment After School Programming for young girls ages 10-14. It is designed so girls will be exposed to new and cutting edge technology and be inspired to pursue STEM (Science, Technology, Engineering, and Math) related coursework and careers.

Our girls get to engage in hands-on activities including 3D printing with FlashForge Printer, creating animations, and exploring science through our hands-on experiments.

All donations including your buy-in entries are tax deductible. YWCA is a 501(c)3 nonprofit organization. EIN 95-1644059.

Please contact Angeline Chen at achen@shusterman.com or (213) 623-4592 Ext. 127 if interested in sponsorships!

PRODUCT SPONSORSHIP

The YWCA is offering you the opportunity to sponsor stations at our event. This unique sponsorship allows your brand to gain maximum exposure to your potential clients. Sponsors are not limited to any specific area and can sponsor more than one station at the minimum value. All sponsors will receive one entry to the event and have their logo on the sponsor station.
